The rate contract will be done for the only those items of the bidders wherever the bidder has quoted lowest (L1) rate for the particular item in the list in Annexure-“A”. **Only L1 rates** will be conveyed to the departments and accordingly purchase orders would be placed for only L1 bidder’s rates for each item. However, since the equipment is to be procured and supplied to Government department in the State Government, reasonability of the rates would be ascertained by the tender committee w.r.t. other rate contracts and in the market. Bidders must ensure that the **rates quoted for this tender are better** (or atleast equal) than the rates in other rate contracts/ government supplies or open market anywhere else in the country.
- 2) After finalizing the L1 rate contract, Comparison of bids would be done item-wise and other bidders would be given opportunity to match the prices of L1 Bidders (if desired by the committee), for respective items. Therefore, Bidders are encouraged to offer better specifications and rates, for the items specified in this tender, in the first instance. However, bidders are advised to quote their best rates.
- 3) Unless otherwise specified for a part of the order, the supplies should be completed within **5-6 weeks** from the date of placing the supply order except for snowbound/ tribal areas, where delivery can be made within 6-8 weeks. Delivery is to be made FOR destination i.e., anywhere in the State of Himachal Pradesh and Installation must be completed within **1 week** after supply of material. In Remote and snowbound areas delivery may be done at nearest district head quarter in case the area is cut-off for the time being. The Managing Director, HPSEDC reserves the right to extend the delivery period based on the request of the supplier, wherever required.
- 4) The committee reserves the right to negotiate the rates of with L1 bidder to bring them to a reasonable level based on the best prices offered by other bidders and current market rates.
- 5) If the rate contract holder quotes/ reduces its price to render similar goods, works or services at a price lower than the rate contract price to anyone in the Country at any time during the currency of the rate contract, the rate contract price shall be automatically reduced with effect from the date of reducing or quoting lower price, for all delivery of the subject matter of procurement under that rate contract and the rate contract shall be

amended, accordingly.
